700-1AKL-PFRX	Pathfinder® II AK Foam Cover, Left
700-1AKR-PFRX	Pathfinder® II AK Foam Cover, Right

Easy Shape AK Foam Covers from Ohio Willow Wood are like no other. These Foam Covers use a firm durometer of foam in the calf and thigh sections for easy shaping. A more flexible foam is used in the knee section so that flexion and extension of the knee are not restricted. Preshaped and preflexed to 30 degrees. Available with two center hole variations—regular and extended. Available in Buff or Medium Brown. 36" (91 cm). Note that X in product number equals side, then color. Please specify.

Product No.	Description
700-3AKX-EX	Easy Shape AK Foam Cover, Ext Ctr Hole (for use with GeoFlex Knee)
700-3AKX-RX	Easy Shape AK Foam Cover, Reg Ctr Hole

The Ohio Willow Wood **AK Foam Cover** continues to be very popular due to its consistency and firmness. All AK Foam Covers are preshaped and preflexed to 30 degrees, and are available with two center hole variations—regular and extended. Available in Buff or Medium Brown. 36" (91 cm). Note that X in product number equals side, then color. Please specify.
